

Payson Public Library

A Taste of Rim Country

thank you for joining us in a common cause

Dear Maggie,

Congratulations are in order! We are receiving rave reviews on quality, quantity and presentation in regard to each chef who participated in this year's *A Taste of Rim Country* Library Fundraiser. "A whole new level of presentation!" is the phrase we're hearing every day!

Your culinary talents and fabulous displays set a new standard for this local chef's competition. And, because your time and resources were used to benefit us, the Payson Public Library, we are gratefully indebted to you!

The numbers are in. As a result of your generosity the grand total of \$9,400 was raised for programming.

Thank You is inadequate, but it is sincere!

We take your thoughts to heart! Per your suggestion, next year's event will feature a 1st, 2nd and 3rd place vote, as well as an award for Best Table Display. As the number of participating chefs has grown, so should the award ceremony! Our patrons want to celebrate you... we're looking forward to next year!

Pleased to Serve Rim Country with You,

Bessie Twoker
